A CHRISTMAS SONGBOOK

It has been a privilege
to work with such a wonderful group
of world-class musicians
whose diversity and creativity shaped this project.
In a season of ubiquitous commercialism,
it is after all,
friends and family
that make up the true meaning of Christmas.

Bring Us Light

Slowly

Two little girls were set for bed upon that silent night I
 little girls won't go to sleep until they question me Of

sang them songs of love and joy to dissapate their fright of
 Magi bound for Bethlehem_ celestial mystery_ And

terror and of human greed and teach then wrong from right
 why two thousand years have passed with pain and misery_

Then I pointed to a star that was a wondrous sight Star shine on brightly bring us
 Then I pointed to them both and told them they must be

joy with your flight_ Star of wonder mystic kite Won't you guide us bring us light

Star shine on brightly bring us joy with your flight_ Star of wonder mystic kite

Won't you guide us bring us light (Two) Shine on_ Shine on Shine on_

Star shine on brightly bring us joy with your flight_ Star of wonder mystic kite
